Mandate of the Host Organization	Mandate of the ENVIS Centre
Consumer Education and Research Centre (CERC) is working in the field of consumer protection. CERC is a non-profit, non-government body, dedicated to the protection and promotion of consumer interests through active use of research, media, law, advocacy, and information dissemination.	ENVIS Centre furnishes information on “Eco-Labeling and Eco-Friendly Products” to the ENVIS Focal point. It develops and maintains an information base that includes both descriptive and numerical information. Descriptive information in the form of publications and abstracts stored for dissemination. Documentation in the form of publications and reports is brought out. All the information thus compiled is made available on the website launched.
