

# AWARENESS PROGRAMME

## JUNE 2022

Consumer Education and Research Centre  
Environmental Information System (ENVIS), Resource  
Partner, Ahmedabad

Consumer Education and Research Centre, Environmental Information System Resource Partner on “Environment Literacy- Eco- Labelling & Eco-friendly Products” briefed the students of Blue Bell School, Ambavadi (6 to 12 standards), Ahmedabad about eco-labelling, eco-products, energy conservation, energy efficiency, energy audit and tips to save energy. A total of 120 students participated in the awareness programme.

We have also conducted an awareness programme on eco-labelling, eco-products, energy conservation, tips for sustainable lifestyle at K. R. Raval School, Ranip on 29<sup>th</sup> of June. The total number of participants were 112.

In association with FSSAI, Ahmedabad, officials from the department demonstrated “Food Safety on Wheels (FSWs)”. These are mobile units designed for conducting simple tests for common adulterants in milk, water, edible oil and other items of food of daily consumption. It is used for awareness on food safety, hygiene and promoting healthy eating habits in citizens.
