

Awareness Programmes

January March 2024

Consumer Education and Research Centre |
Environmental Information, Awareness, Capacity Building
and Livelihood Programme | Programme Centre-
Resource Partner, Ahmedabad, Gujarat

In line with Mission LiFE (Lifestyle for Environment), Consumer Education and Research Centre, Environmental Information, Awareness, Capacity Building and Livelihood Programme, Programme Centre, Resource Partner (CERC EIACP PC-RP) conducted various Awareness Programme.

- A. Mr. Karan Thakkar, Information Officer, held session on Mission LiFE, Eco label, Millets and Sustainable Lifestyle with law interns at CERC on 1st January 2024 (Annexure-I).
- B. Mr. Kartik Andharia, Programme Officer at CERC-EIACP has participated in the expert's panel discussion at Adani International School's Annual Science Exhibition 2024, themed "JIGYASA", along with Mr. Kiran Nair, Head of Adani Green in the Technology Department, and Dr. Neeru Bansal, Head for the Adani Group on 31st January 2024. They sparked discussion on energy conservation, electricity production, transportation, and climate change. The event emphasized practical insights and encouraged judicious resource utilization among young learners for a sustainable future.
