

# Eco-friendly Ganesh Chaturthi Celebration

## ★ Eco-friendly Tips

- Make eco-friendly Ganesh idol using leaves, clay, paper, coconut etc.
- Immerse the Ganesh idol at home in an artificial immersion tank to protect natural water bodies from pollution.
- Limit the size and number of Ganesh idols in your locality.
- Use natural materials for decorating pandals and avoid usage of plastic & thermocol.
- Avoid playing loud music as it poses threat to human and animal health.
- Distribute Seed balls.
