

National Consumer Week 18-22 December 2017

CERC-ENVIS Centre along with consumer clubs in different schools celebrated National Consumer Week (18-22 December 2017). Department of weights and measure and food and drug administration also participated the Week. The objective was to bring awareness among students as a consumer and how their activities affect the environment. The team visited different academic institutions and addressed the students.

- Nest High School, Ranip
- Saurabh High School, Nava Vadaj
- F. D. Girls High School, Jamalpur
- Tirupati Vidhayalaya, Chandlodia
- Divyapath School, Memnagar

The CERC- ENVIS team gave information on climate change, environment-friendly activities, solid waste segregation, composting and tips to celebrate Green Christmas. The team also made them aware of their consumer rights. Importance of eco products and eco-labels are explained. How eco-labels make the consumer aware of eco-products and eco label gives an identification to products or services to differentiate from its counterpart.

Weight & Measure Department demonstrated how vendors are making changes in weighing machine and how consumers can find out whether they are being cheated.

Food and Drugs Control Administration displayed how harmful chemicals are used as a flavour enhancer in food items and what type of adulterants are used in food items.
