

CERC-ENVIS Resource Partner along with Consumer Club celebrated the National Science Day at V R Shah School. Five Sister Schools of V R Shah participated in this Day.

Principals, teachers, trustees and parents of all schools joined in the celebration. There were around 500 foot falls. The theme of the programme was “Say No to Plastics”

The Programme started with Saraswati Vandana and prayers. Students presented a dance based on the song “Earth.” The theme was the care of the environment, the content dealt with war, pollution, deforestation and animal cruelty. The next dance was on the theme of praying to God to save the earth.

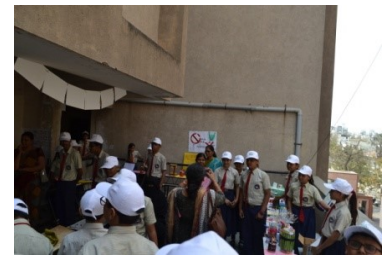

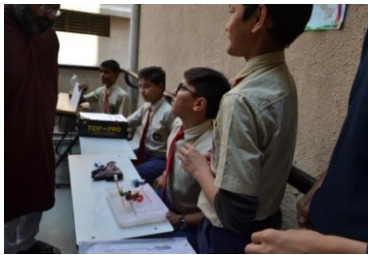

Students have made a beautiful collage on the plastic menace – how it affects the planet.

On the concept of the three R's – reduce, reuse and recycle, students have made different items out of waste especially plastics. The theme of the Day was “No to Plastics.”

More than 100 students (individuals and team) prepared different items from waste especially plastics. All items were exhibited in the school. There were total 70 entries. Three teams were judged for best exhibit and 40 students for the consolation prize. Students displayed their projects with objective and purpose of making these items.

Best three entries got 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> prize. 10 entries got a consolation prize. We distributed caps to all participants and T-Shirts to best three entries and entries got a consolation prize.

National Science Day event was covered in Newspaper also.
