

Report on Science Express Climate Action Special

The last destination of Science Express Train was at Gandhinagar from 5th -7th May 2016. CERC-ENVIS Centre actively participated in the Science Express Climate Action Special (SECAS) on 5th and 6th May 2016. The CERC-ENVIS centre exhibited its publications and banners near ticket counter. The Centre showcased its activities at Gandhinagar station. The Centre distributed its publications, newsletters, [handouts on Science Express](#), posters etc to the students as well as to the general people who visited the Science Express Train.

We informed our activities how CERC-ENVIS centre works. We also made them aware about different environment issues and how CERC-ENVIS works in promoting the eco friendly products and importance of eco labeling through its website.
