Swacchta Hi Seva Campaign- Report

Swachhta Hi Sewa

Mahatma Gandhi had once famously said, “*Sanitation is more important than political freedom.*” This statement underscored the criticality of sanitation in society.

The Prime Minister has named the nationwide sanitation campaign from 15th September to 2nd October 2017 as “**Swachhta Hi Seva**”. And our President administered the Swachhta Hi Seva Pledge whereby the Nation, resolved to create a clean healthy and new India. India is fighting a decisive battle for cleanliness and hygiene. Cleanliness is not the responsibility of only sanitation personnel and government departments; it is a multi-stakeholder national movement. The objective of the campaign is to mobilise people and reinforce the “Jan Aandolan” for sanitation to contribute to Mahatma Gandhi’s dream of a Clean India. Swachhta Hi Seva campaign will see large-scale mobilisation of people from all walks of life to undertake *shramdaan* for cleanliness.
