

REPORT ON
WORLD ENVIRONMENT DAY
5TH JUNE, 2020

CERC - ENVIS RESOURCE PARTNER,
AHMEDABAD

World Environment Day is celebrated worldwide on 5th June 2020. Every year it is celebrated on different themes. This year's theme is 'Celebrate Biodiversity'. Amidst the corona pandemic, social distancing to stay safe remained precedence. Hence, CERC – ENVIS RP celebrated World Environment Day by conducting online competitions and webinars on 'Biodiversity' and 'Pandemic, Consumer and Environment' respectively. Apart from this, many posters on the theme of Biodiversity were also prepared for wider dissemination through online platforms.

Online Competition:

Online competitions were conducted category wise for different age group.

Category II: Drawing/Painting -- STD (I – V)

Category I: Poster making -- STD (VI – VIII)

Category I: Best out Waste -- STD (IX – XII)

A Banner ([See Annexure: 1](#)) advertising the competition was circulated through social media like Facebook, WhatsApp and Twitter. It was also mailed and circulated in all the business and personal contacts through mass mailing provision.

We received an overwhelming response of around 30 entries. All the entries were uploaded on our official Facebook page category wise: <https://www.facebook.com/EcoProductsEcoLabeling/>

The winners of category were announced on the 5th of June, 2020. The winners list was also uploaded on the official Facebook page: <https://www.facebook.com/EcoProductsEcoLabeling/photos/pcb.3147390518706985/3147384012040969/?type=3&theater> ([See Annexure: 2](#)).

All the winners were felicitated with an e-certificate and all the participants were felicitated with a Certificate of Appreciation. ([See Annexure: 3](#))

Talk Show/Webinar:

A Talk Show, using Google Meet platform, was organized on 5th of June. The topic covered was "Pandemic, Consumers and Environment". The following were the speakers who spoke on the respective topics. ([See Annexure: 4](#)). There were around 30 participants who attended the webinar. ([See Annexure: 5](#))

1. Shri. Uday Mawani: "Pandemic and Work Environment"
2. Dr. Sudhir Chadna : "Medical Waste Disposal"
3. Dr. Anindita Mehta: "Mask Disposal by general public"
4. Dr. Ashoka Ghosh: "Preparedness during Pandemic"

Dr. Sudhir Chadna, a consulting pediatric surgeon with an experience of 35 years. He explained how medical waste is disposed, color coded bins and bags, different treatments to bio waste, and its effect on environment.

Shri, Uday Mawani, CEO of Consumer Education and Research Centre (CERC), talked about the plights of the migrant workers. And he also sighted few examples of how people are risking their life to reach offices.

Dr. Anindita Mehta, CGM of CERC, discussed about the types of different masks available in the market, how to wear a mask, how to wash them and how to dispose mask, and consumer responsibility during the pandemic.

Dr. Ashoka Ghosh, Programme Officer CERC-ENVIS RP addressed on Preparedness on Pandemic. Various aspects of preparedness and response such as planning and coordination, situation monitoring and assessment, reducing the spread of disease, continuity of health care provision and communications.

Online Awareness Campaign:

To Spread the Awareness on the theme “Celebrate Biodiversity”, different posters were made on Biodiversity. The lists are as follows:

- Showcasing endangered species of flora and fauna in India (See Annexure: 6)
- Poster in Hindi on the theme of Biodiversity (See Annexure: 7)
- Poster in Gujarati on the theme of Biodiversity (See Annexure: 8)
- Poster showing faunal diversity (See Annexure: 9)
- Poster showing floral diversity (See Annexure: 10)

A poem in English and Hindi on Biodiversity was also prepared and circulated for wider dissemination.

- English : Poem on Biodiversity (See Annexure: 11)
- Hindi : Poem on Biodiversity (See Annexure: 12)

*Many Forms of One Life:
Let's Preserve
and Celebrate
Our
Biodiversity*

Celebrate Biodiversity

CERC - ENVIS
Resource Partner

The collage features ten hexagonal images arranged around a central green hexagon. The central hexagon contains the text 'Celebrate Biodiversity'. The surrounding hexagons contain: a shark swimming underwater, a close-up of white flowers, a snow leopard in the snow, a bird's nest with green leaves, a dolphin swimming underwater, a rhinoceros in a savanna, a bird standing in a field, a bird's nest with several orange eggs, and another rhinoceros.

Biodiversity

*Amidst the vast universe ocean
Among the billion galaxies and stars
Lies our blue planet, the prized jewel of all
Home to you and to me
Where creatures roam of land and sea
Where a leaf flutters, and a giant oak swells in pride
Beaming with life and myriad colors
The worker ants, the trunked giants, the striped cats,
the thieving rats
The mammals of sea, the birds of paradise
On treetops they sleep, some in burrows deep
She's home to all, she feeds them all
With droopy eyes her children lie down
And Mother Earth rocks them to sleep!*

जैविक विविधता - प्राकृतिक विरासत

जैव विविधता से भरी है, हमारी अमूल्य प्राकृतिक सम्पदा
आधुनिक जीवन की होड़ में देखो, विश्व में आयी अजीब विपदा

सब दिया कुदरत ने जो, धीरे धीरे हो रहा विलुप्त
जीना दुश्चर करता इंसान, चहल पहल हो रही सुषुप्त

मौसम संजोये हरियाली को तब, अन्न पानी से पनपता जीवन
मशीन की होड़ लगी जब से, बंजर हाते चलत उपवन

पशु पंछी पौधों में होती है, अनुमोल और अनोखी प्रजातियाँ
चहकती महकती रंगीन वादियाँ में, रह गयी नाम शेष खामोशियाँ

नैसर्गिक रहनुमाइयो को भूल कर जब से, टेक्नोलॉजी की बढ़ती गयी सोहबत
इंसान की मेटलबी जीवन शैली से आज, जैविक संगरक्षण की आई नोबत

हर जीव से जीव जुड़ा, ऐसा है प्रकृति का कमात
क्षतिग्रस्त होती अनुवंगशिकता बचालो, न करना पड़े मलाल

उड़ती चिड़ियों को खोता चला, पतपत करके मोबाइल का उपयोग
एसी तरक्की किस काम की, कराये प्यारे पशु पंछियों का वियोग

कितना योगदान कुदरतों को देते, पूछो दित पर ररख कर हाथ
एहसान चुकाने इस धरती का, प्रजातियाँ बचने जुटाँ एक साथ

देश चाहे अलग हो, पृथ्वी एक है मना
हर जान से जहाँ है, आज हर नागरिक ने जाना

आओ सब मिलकर सँवारे, जिसका खो रहा वजूद
बचाएँ प्रजातियाँ कत्तव्य निबाह के, रहगी धरती पर हमेशा मौजूद

एक दूजे के ही पर्याय है, सारे जीव और विज्ञान
सर्जन और संवर्धन करके, बढ़ाओ हमारी सृष्टि की शान

हर एक जैविक काया को ईश्वर ने, बरून्नी कई खुबियाँ अनोखी
सब के जीवन के योगदान से ही तो, पर्यावरण टिकता खबूभी

संयुक्त राष्ट्र की वैश्विक मुहिम से, जैविक जागरूकता का नजरिया बदलेंगा
दृष्टान्त रूप से कदमों से भारत में, सुनहरी प्रजातियाँ का अस्तित्व दिखेगा
