

World Environment Day

June 5, 2017 as a part of 'Green Connect' initiative, FICCI Ladies Organisation (FLO), in association with Gujarat Pollution Control Board (GPCB), Regional office, Ahmedabad hosted a programme on "Connect with Nature" on the World Environment Day at Ahmedabad Management Association (AMA). Ms. Priyanka Joshi, Research Associate, ENVIS- CERC participated in the Event.

Ms. Pavani Bakeri Agarwal- Chairperson FLO, Ahmedabad Chapter addressed the session and gave a talk on "Nature doesn't need people, people need nature."

Ms. Almitra Patel- National Expert on Swachh Bharat Mission informed the audience about "Summers beyond 50 degree Celsius!"

Mr. Harshadray Solanki, Director, Solid Waste Management, Ahmedabad Municipal Corporation talked on "Green Amdavad- Closer to reality."

Mr. Manish Bagadia, Managing Director, Grace Renewable Energy Pvt. Ltd. made aware the audience "The Power of Solar Power."

Through this event, FLO aims to connect the people with nature as per global theme of this year "Connecting People to Nature." The session also created awareness about the damage that human activity is causing to the environment. Also educated the people about the measures to be taken to reduce the impact of such reckless behaviour.

Ms. Priyanka Joshi interacted with the people and made them aware about the activities of the CERC-ENVIS Centre and importance of environment – friendly products and eco-labelling scheme.
