

Happy MAKAR SANKRANTI

Eco Friendly Tips

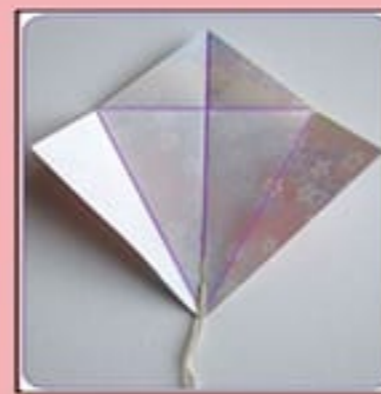

Take care of injured birds.

Do not use synthetic, nylon, glass coated manjha (thread) for kite flying.

Avoid plastic-made gift items and gift plant sapling to your loved ones.

Ditch synthetic material used in making of kites and make your own kites using cotton cloth, paper etc.

Avoid sky lanterns that poses grave risk to the environment & can also lead to fire.

Celebrate the festival traditionally with your loved ones.
