

**WORKSHOP ON  
'MAKING OF ECO-FRIENDLY RAKHI'**

**AUGUST 2022**

**Consumer Education and Research Centre  
Environmental Information System, Resource Partner**

To promote eco-friendly way of celebrating Rakshabandhan, Consumer Education and Research Centre, MoEF&CC's Environmental Information System, Resource Partner conducted a workshop on 'Making of Eco-friendly Rakhi' at Vijaynagar English Medium School, Naranpura, Ahmedabad.

Items used in the making of such as plastic, thermocol, plastic beads etc. damages the ecological and human health. We had also briefed students about the tips to celebrate the festival in an environment friendly way like gift plants to the sibling/guests, decorate house using paper or cloth, avoid plastic in any forms, prepare food at home, use paper gift wrappers etc.

Ms. Mayuri Tank, IT Officer demonstrated the procedure of making eco-rakhis using cotton thread, soil, seeds, woollen thread and papers.

The total number participants were 100.

We have also prepared a video on the workshop. Youtube link:
